UNFINISHED BUSINESS:

- a. Ricki Musson opened a discussion on the problem of homeless people camping near the river trail on airport property. All of the board members have a cost estimate and aerial photos of the river trail. Rick Musson outlined the river trail using the materials each board member has. Rick is proposing a fence along side the trail approximately 2000 feet in length. There is a quote in each packet for \$9,500.00 for the cost of the fence. Rick has pledge donations for the cost of the signs of \$500.00. T posts every 10 feet and signs every 100 feet. It is a barrier type fence typical of a fence row. The board members discussed the proposal. They also discussed future airport projects. Julie MacKay made a motion to move forward with the proposal to put a fence along the river trail for the quote that was submitted. Joy Archer supported the motion.
